

English-Troll swap

The children will enjoy the text written by Leigh Hodgkinson. They will make predictions and inferences about the text, and develop their sentence structure. The children will complete the unit by writing a story based upon the model text using the pupils' ideas for characters.

Phonics: Unlocking Letters and Sounds
Spellings: Pathways to Spell

Religious Education

The children will learn about what Jews believe about God through stories, art, music, drama and will look at artefacts.

PE

The children will be learning how to move effectively including running, jumping, throwing and catching.

Maths

Year 1: Place value. Children will sort and count objects, represent numbers and recognise numbers as words.

Geometry: recognising and naming 2D and 3D shapes.

Year 2: Place value. Count objects up to 100 by making 10s, recognise tens and ones, use a place value chart and partition numbers up to 100.

Geometry: looking at the properties of 2D and 3D shapes including symmetry.

Marvellous Me!

Autumn 1

Wrens Class and Blue Tits PM

Computing

The children will be learning how to use technology safely and responsibly. They will develop mouse and keyboard awareness and skills.

Music

The children will use their voices expressively and creatively. They will experiment with, create, select and combine sounds.

Geography

Children will learn about the contrasting locations of Chester and Uganda. They will identify and discuss physical and human features, using Google Earth, photos and maps.

Science-Marvellous Materials!

Children will learn about different materials looking at their properties and uses. They will investigate floating and sinking, absorbency and transparency.

Art/DT

The children will explore 3D form and space by making their own trolls and building bridges.
