

PE

We will be developing our multi-skills and athletics in preparation for sports day.

ICT

We will be developing our skills through digital writing, online safety-aware resources and an introduction to passwords.

Science

We will be learning about plants and seeds – children will be able to identify and name a variety of plants and describe the basic structure. We will also be looking closely at the requirements for growing healthy plants.

Art

We will be looking at different prints, looking closely at shape/line, stencil and combined methods. We will be focusing on Henri Matisse's self-portraits and collage's using texture/shape. We will be making our own beach images using collage materials (sand, crushed shells, paper.)

DT

We will be learning about food and nutrition, looking at the Eatwell plate to identify a balanced diet. We will then design and make a seaside picnic.

We will also be looking at mechanisms and constructing our own windmills and testing how effective they are.

Maths

We will be developing our maths skills in a number of ways to consolidate knowledge and understanding.

Year 1 – Multiplication, Division and Numbers to 100.

Year 2 – Word problems and Money. We will also be revisiting number bonds, doubles and halves. We will also be doing Year 2 SATs preparation.

English

Text: The Last Wolf by Mini Grey (Summer 1)

We will be working towards writing a letter to persuade people to save the trees.

Text: Grandad's Secret Giant by David Litchfield (Summer 2)

We will be working towards writing our own version of the story.

Phonics and guided reading

Year 1: Unlocking Letters and Sounds

Year 2: Pathways to Read

Year 1 phonics screening preparation

Year 2 SATs preparation

Geography

We will be studying the geographical (human and physical features) of a coastline.

We will also become weather experts and learn how to record the weather.

History

We will discuss history relevant to the significant events in our living memory.

We will also be learning about different seashores from the past and comparing 'then' and 'now' and how they have changed over the years.

RE

Why did Jesus teach people through stories?

What is the trinity? (concept: Incarnation)

Music

We will listen actively to music inspired by the sea through contrasting themes in 'Dawn' by Benjamin Britten's sea interludes and bringing the piece to life by creating a moving, musical picture. We will also be singing and playing recorders in preparation for our summer performance.

PSHE

We will be learning about health and well-being.
